

**CHRIST
THE KING**  **13TH ANNUAL
BIG BLUE
FLING**

Dear Friends,

Christ the King School's 13th annual Big Blue Fling is just around the corner. This year the event will be held **Friday, March 16th**. Our goal is to raise over \$100,000 which we will use to fund technology in our classrooms, and enhance our instructional programs.

Can you help us with our silent auction? Any item or gift certificate helps raise much appreciated funds for our school. This is a great opportunity for exposure for your business or retail establishment as well. Our event is marketed to over 3,000 parish and school families. We also offer sponsorship opportunities if you are interested.

We encourage our church and school community to support local businesses. Of course, all donations are also tax deductible. (Federal I.D. #61-1132894) If you are able to help, or have any questions, please contact Kathy Arms at fivearms@hotmail.com or (931)808-2293.

Sincerely,

Christ the King School

Big Blue Fling Committee
