

# CKS "GREEN TEAM" ENVIRONMENTAL CLUB 2016-17

Join us on Edmodo - code vk3fzh

**Who?** Students in **Grades 5-8**

**When?** Mondays from **3:00 – 4:00 PM**

**Where?** Middle School Science Lab

Green Team members should go directly to the middle school science lab at dismissal. Students may **bring a snack** to eat at the beginning of the meeting. The only drink allowed in the science lab is water. As part of our effort to be "green," we encourage all students to use refillable water bottles throughout the school day.

Ms. Leonard is the faculty sponsor. Students will work to lead our school in conservation efforts and the improvement of our campus green spaces. The cost is \$10.00 for the school year. The fee pays for team expenses and the end of year celebration. Students who need to purchase a Green Team t-shirt should add \$12.00 to the club fee. (It does not have to be a separate check.) Parent assistance is always welcome, either at meetings or in preparing for meetings.
