

## Walker Permission Slip

In order to ensure the safety of our students, it is required that any student walking to and from home have this signed permission slip on file in the office. Please review this with your child. Students who are walkers will be held in designated locations and supervised by faculty, and dismissed after carline has cleared the front parking lot. Any student who does not have this form on file and has not been picked up by 3:10 p.m. will be sent to EDP where a drop-in rate of \$15 will apply. If you have any questions or concerns, please feel free to call the office.
