Dear Parents,

The Big Blue Fling was a great success! On behalf of the faculty, staff, and students, we thank you so much for all you have done to make this important event so prosperous for our school. BBF is the school's biggest fundraiser of the year and provides many benefits, only one of which is financial; it is also a time when our community can come together in fellowship.

We would like to thank all the parents who planned and worked the event; donated items for the baskets; attended the Fling; and did countless other jobs to pull off this big event. It was a beautiful venue, and we greatly appreciate all our sponsors for their support (see list below). A special thank-you to Kathy Arms, Beth Dugan, and Kim Thompson for all their hard work.
