

022018

Dear Parents,

If you were not in attendance at my State of the School address, I hope you can [read my remarks](#) or [watch the video](#). It is our goal to provide you a clear understanding of our school in the areas of mission, governance, academics, and operational vitality. We have had challenges this year, but I hope you will be as pleased as I am that we continue to strengthen our services and provide our community with an incredibly successful parish school.

We use our resources to deliver to our families a Catholic mission and strong academics. We have overcome any financial challenges by being fiscally responsible, yet still providing our students what they need to succeed. One of our needs to make our school better and safer is for us to do all we can for our church and our Capital Campaign. The Capital Campaign has brought in approximately \$2.4 million of its \$4 million goal. As I said at the State of the School, the Capital Campaign will positively affect our school by providing a safer entrance and a more unified preschool.

Christ the King has an older building, and it is our responsibility to make sure we provide our students, faculty and staff the safest environment possible. Our children deserve nothing less. Our goal is for 100% of our school families to participate in the Capital Campaign, so whether it is a large amount or a small amount, please give. All help is greatly appreciated. Won't you sign a [Letter of Intent](#) to support the Capital Campaign? For more information about the campaign, please contact Katie Shephard (kshephard@cdlex.org) or Kim Thompson (kthompson@ckslex.org). Thank you!

Many blessings,

Paula Smith, Ed.S.
Principal
Christ the King School
