Dear Parents,

As Thanksgiving is upon us, we, the faculty and staff of Christ the King School wish you and your family a happy and safe Thanksgiving break. We are thankful for our school family and for your generous support and kindness. We are thankful for your children's smiling faces and eagerness to learn each day. We are thankful for one another, the dedication to our mission, and this very special place. We are very thankful for God's many blessings on all of us and His work that is accomplished here at Christ the King.

I pray that God blesses you and your family this week. Take time to show the people you love how thankful you are for God putting them in your life. I am thankful for having each of your children in our school and taking part in helping them learn and grow in life and their faith. I am also so very thankful to the Cathedral families for their support of our parish school.

God Bless and Happy Thanksgiving!
