

March, 2022

Dear CKS Families,

I cannot believe it is time for re-enrollment again! It feels like the first day of school was just yesterday! I hope you and your families have all had as good of a year as I have had.

I want to offer my appreciation for entrusting Christ the King School with your children. It is not lost on me the sacrifice that each family makes to send their children to Catholic schools. I make it my daily mission, that while in our care, your children are safe, loved, and receive the best educational experience that is possible here in central Kentucky. We are committed to providing a faith-based education that develops the character, knowledge, and spirit of our students.

This week we will begin our re-enrollment for the 2022-23 school year. You will receive an email with a link to our Online Re-enrollment Form. You will need to submit that form by March 25, 2022; that form allows you to update address and phone information and it includes Aftercare, EDP, and other elections. A \$300 family re-enrollment fee, which is applied towards next year's tuition, will be charged to your FACTS account on March 31st, unless you choose to pay the fee by check before then.

Please feel free to reach out to us if you have any questions about re-enrollment. Thank you for continuing your child's education with Christ the King School.

All my best,

Ann Bruggeman, Principal
