

May 22, 2020

CKS Parents:

The following revised calendar for May 2020 lists the changes made to our end of the school year schedule. We regret that we are unable to fulfill everything we planned for May, but we are excited and working hard to provide our school community with as many of those special events as we can, especially for our 8th grade students.

We would love to hear your input on how Edays are currently going at home. Please take time to answer [three quick survey questions](#). Thank you for your help and support.

Many blessings,  
Paula
