

# iPad

**Problem:** The camera and/or microphone are not available in a Google Meet.

**Solution:** Enable Google Meet to access the camera and/or microphone in Privacy settings:

- a) **Settings | Privacy | Camera** - turn on if it's turned off
- b) **Settings | Privacy | Microphone**- turn on if it's turned off

**Problem:** An app my child needs is not installed.

**Solution:** Email the IT Administrator, Vince Mongiardo, at [it@ckslex.org](mailto:it@ckslex.org), and let him know:

- a) The name of the missing app, and
- b) The device name:
  - i) Settings | General | About | Name (e.g., 2-25)
