

February 23, 2021

Dear Families,

As we enter into re-enrollment season for next year, we offer our appreciation, and pledge our continued dedication to you and your children. We are blessed to be part of such a wonderful school, and value your confidence in our important work of preparing our students for their future. Christ the King is a school where we have ever in mind our educational mission, and the needs of our students drive us to provide them with the very best education possible. We are dedicated to providing a faith-based education that develops character, knowledge, and spirit in our students.

This week, you will receive an email regarding re-enrollment for the 2021-2022 school year. The email will include a link to our online re-enrollment form. You will need to submit that form by March 15th; that form allows you to update address and phone information, and it includes Aftercare, EDP, and other elections. A \$300 family re-enrollment fee, which will be applied toward next year's tuition, will be charged to your FACTS account on March 30th, unless you choose to pay the fee by check before then.

Please contact us if you have any questions about re-enrollment. Thank you for continuing your child's education with Christ the King School.

Many blessings,
Paula Smith, Ed.S.
Principal
