

Moms and Dads of Christ the King School:

We are looking for Homeroom Parent volunteers. We need four parents for each grade.

Homeroom parents are responsible for working with the classroom teachers to plan holiday parties and help organize classroom special events. Every grade level has specific activities/needs that will be addressed by the teachers at the beginning of the school year. The homeroom parent role is a great way to be involved in your child's school experience.

Please feel free to contact me with any questions you may have.

Below is a form you can copy/paste into an e-mail to me. We will do our best to accommodate requests and will be in touch after class rosters are announced in August. Have a great summer!

Kelli Faulkner
PTO Homeroom Parent Coordinator
