

3/27/2020

Dear Parents,

I hope this finds you and your family well. We miss your children greatly and look forward to being back in school again. On Wednesday, we communicated a message from our Superintendent, Tom Brown, that stated all diocesan schools will be extending Spring Break to two weeks. Those dates are Week 1 – March 30 – April 3 and Week 2 – April 6 – 9. April 10 is a previously scheduled day off for the observance of Good Friday. We will resume e-days for the week of April 13 – 17. Extending Spring Break will extend our academic calendar to May 29, 2020.

The decision to extend the break was made in the hopes that we would have an opportunity to provide instruction in person during the month of May within our building. This would hopefully give students a normal school routine for a full month. If we are able to return in May, it will allow us to get back to our normal schedules and reunite as a school community. The students have many special experiences and traditions in May, and our hope is that all can continue when we return. Of course, this is a situation that is still evolving, and we will keep you up-to-date as new information is provided.

We will make every effort to ensure that our students receive a quality education, both in and out of the building. We appreciate your patience, and please do not hesitate to reach out to us with any questions. We are here for you and your family.

Many blessings,  
Paula Smith, Principal  
Christ the King School
