Dear CKS Families,

We hope you enjoy the sunshine and each other on this beautiful Sunday. We know you have all been hard at work. We have compiled a few snapshots from the week to share. We sure miss seeing everyone each day. Please continue to share pictures and tag @ckslex. We have been using #ckslove, #ckslearn, #ckspray. We are committed to continuing the growth of your child's character, knowledge, and spirit during this time.
