

September 3, 2019

Dear Parents,

At Christ the King School, we have made an important commitment to service. We have provided our students with many hands-on opportunities to make an impact on our community. We want our children to learn the importance of helping others. Our Middle School House System focuses on service. Each House adopts a charity and provides service throughout the year. Our eighth grade is currently planning their annual service day. All class levels - from preschool to middle school - are committed to helping others and focusing on our theme, "Everybody Counts."

And we thank you for all you do. We greatly appreciate your volunteering during Oktoberfest, an event which helps the church, school, and our community. [Click here](#) for the Oktoberfest volunteer sign-up page. We also appreciate your help with our PTO events and activities. [Click here](#) to see where you can help our PTO. As an additional parent-volunteer opportunity, we have four School Council sub-committees (Strategic Planning, Marketing, Policies and Procedures, and Finance) where we would like at least eight people on each sub-committee to help perform its work. Please email me if you are interested in serving on a sub-committee; we would love for you to be involved.

Thank you for reinforcing the important lessons our children are learning. Your support is teaching our students that, *"From everyone who has been given much, much will be required; and to whom they entrusted much, of him they will ask all the more"* (Luke 12:48). Thank you for helping us teach our students that service is why we are all here. Helping them at home to learn that God's purpose for us is to serve Him and one another, will support what they are learning at school and in church.

Many Blessings,

Paula Smith, Ed.S.  
Principal
