**To Parents of Students at Christ the King:**

Associates in Pediatric Therapy offers FREE Occupational Therapy Screenings at CKS. We are going to help make sure that each child has the tools he or she needs for a truly successful school year. Associates in Pediatric Therapy offers a wide range of therapy services including speech and occupational therapy to CKS students. Children can ONLY be screened if this form is signed and returned.

If your child fails the screening you WILL be notified by a licensed therapist with information regarding what area showed concerns for your child.

If you have any questions, please feel free to contact us at the telephone number above.

Sincerely,

Angela Renea Sageser-CEO & M.S.-SLP-CCC
