Parent/Guardian Consent and Release

By registering for EDP (via the CKS Unified Online Enrollment Form or otherwise), I am requesting that my child(ren) be admitted to Christ the King School's (CKS) EDP program, and I understand the nature and scope of the program and will adhere to all guidelines and procedures of the program, a copy of which will be provided for me. I understand that there are risks associated with the program. I also understand that each participant has the responsibility to exercise due care in the performance of the program for the safety of himself/herself and the other participants. In the event that I cannot be reached in an emergency involving my child, I hereby give permission to the appropriate medical personnel, selected by the Director, to provide medical treatment deemed necessary by such personnel. I also give permission for my child to be included in photos or videos, without identifying information, for promotional use. In consideration of my child being permitted to enroll in the program, I hereby release, indemnify, and hold harmless Christ the King School, its employees, operators, counselors, and instructors from any and all claims and demands, costs, charges, and expenses for harm, injury, damage, or loss which may be sustained by the participant as a result of or relating to participation in EDP.

I understand that I must separately submit, via the paper form provided to me or via submitting updates electronically via RenWeb, CKS's student information system, parent/guardian and emergency contact, authorized pick-up, and medical/insurance information and that the EDP program cannot assume responsibility for a child for whom that form or any necessary application or registration form is not filed with the Director.

I give permission for my enrolled child(ren) to participate in any planned walking field trips.

I give consent to any hospital or emergency treatment center, doctor, or qualified employees of same, to administer necessary treatment and care in the event that I cannot be reached in case of an emergency, and I further give permission to the physician, selected by the adult leader in charge of the EDP program, to hospitalize, secure proper anesthesia, or to order injection(s) or surgery for my child(ren) in such case.
